Martin Barre has been the guitarist of Jethro Tull for 43 years. Album sales have exceeded 60 million units, representing an important part of classic rock history. He was voted 25th best solo ever in the USA and 20th best solo ever in the UK for his playing on 'Aqualung'. His playing on the album 'Crest of a Knave' earned him a Grammy award in 1988. He is included in the "100 best guitarists" book, issued by Guitarist magazine. Martin has also worked with many other artists including Paul McCartney, Phil Collins, Gary Moore, Jo Bonamassa and Chris Thompson and has shared a stage with such legends as Jimmy Hendrix, Fleetwood Mac, Pink Floyd and Led Zeppelin.

Martin Barre's band includes other members of Tull and top musicians from a similar background. They will play the "classic" music from the Tull catalogue, both electric and unplugged, including a premiere performance of his new album.

Dear Colleagues, Friends & Family,

many of you will recall last year's concerts at the Night Club. Today I am delighted to share the news that my dear friend **Martin Barre** and his musician friends have offered again to do one exclusive Private Show for us at the Night Club Bayerischer Hof Hotel in Munich on October 30th.

Tickets are strictly limited and admission is by guestlist only. You are most welcome to request tickets for your colleagues, friends & family.

Please let me know soonest ([ulfdoe@aol.com](mailto:ulfdoe@aol.com)) whether you are in for a „blast from the past“.

I am looking forward to sharing a musical evening with you.

Best regards,

Ulf
