

## 4th Asian-European Business Innovation Congress

Dear Sirs,

We cordially invite you to the **4<sup>th</sup> Asian-European Business Innovation Congress (AEBIC)** to be held in the building of the Government of Moscow on **May 26, 2017**.

**The main theme of the Congress: Asia - Russia - Europe: Perspectives on business cooperation.**

**Main sessions:**

- Trade, logistics, transportation, energy infrastructure
- Innovative solutions for logistic, trade, science, and energy
- Platforms "Eurasian Union", "One Belt and One Road", "Nurly Zhol"

The principal aim of the event is to create business interaction platform for the development and strengthening of cooperation between companies and institutions from East and West in the field of **small and medium-sized enterprises, industrial and innovative growth, modern corporate development**, and public-private partnerships.

AEBIC - 2017 is a strategic venue for new practical opportunities among **business owners, entrepreneurs, top industry executives**, and analysts to address compelling competitiveness issues of a radically evolving globalized marketplace.

The **17 Sustainable Development Goals of the United Nations** provide a framework for the agenda and policies of UN member states for the next 15 years, reflect the core of worldwide efforts to achieve a better future, and guide the AEBIC - 2017 **social responsibility dialogue**.

**Among our speakers and participants are executives and senior officials from the Ministries of Economic Development, Chambers of Commerce, business clubs, TOP-50 Russian companies, leading universities and institutes, other organizations, as well as diplomats from EU, CIS and Asian countries.**
