green Farming

Date. 22.4.2021

Sustainability - Community - Responsibility

SCR

our theme for 2021 / 2022

WIRTSCHAFTSCLUB | RUSSLAND

We are happy to invite you to our first SCR-Meeting in 2021 and to present to you

TERRAΦORMA, the No. 1 agrifood accelerator in Russia

Their vision is a world feeding 10 billion people by 2050 with balanced impact on resources and nature..

Benjamin Wilkening, Managing Partner will share with you insights how they will lead the agrifood industry into a new age.

Be part of our interactive digital Networking event.

22.4.2021 - 17.30 CET
